## WCRRRC AT THE RACES

July had a few club races to do. Remember that any July 4<sup>th</sup> race you did needs to be submitted before it can be counted in the GP.

### **Whiskey Rebellion 5K**

Almost 950 runners and walkers crossed the finish line in the early morning hours of the 4<sup>th</sup> in Canonsburg. Runner Mason Stewart took first overall in the race at a time of 16:20. Our first male finisher was Rich Sandala in 25:29, and our first female was Ann McCormick, who came across in 29:04. And in the walking category, we had Bill McCormick breaking the tape in a time of 50:47.

### **Rain Day 5K**

After a long absence, the Rain Day 5K made it back to the race scene. It was good to see a good crowd back for the newest edition. Mike Romzy was our first male finisher, and Kathy Starkey our first female. And Kelley Murdock took first overall in the walk.

## Thinkables

*Mickey Hornack*

\* Food for thinkability:

Maybe go ahead and eat whatever you want, inventor of treadmill passed at 54  
Inventor of gymnastics passed at 41. KFC inventor passed at 94; inventor of Nutella  
passed at 88!!ball in your court now.

\* Why when one drops something, it never falls right at your feet. Under a chair, behind a stool, under fridge-come on man!

\* Why is ice cream so darn good?

\* Psychologists say you need 5 good experiences to balance 1 bad one. Ok then 1 bad mile and 5 good miles=a good 10k. Sound philosophy right!

\* Great decision by Wash Co Commissioners to NOT build a putt-putt golf course & water spray pad in Mingo Park. Mingo Park is an entity to itself, quiet-peaceful-well maintained-a retreat from reality.

\* Add Mingo: I posted on Instagram, Facebook and thru email the contacts for those Commissioners. If you've reached out to express your "thoughts" good on you!

\* The Mrs. told me I'm immature. Right after that I banned her from my SpongeBob collection.

\* Where did summer go?

\* Aging says "one for the road" means hitting the bathroom before you leave the house.

\* One of the reasons I ran, now walk, is that it makes the ground feel needed. Corny huh?

The End! 🙌❤️ U
