### **NEWS AND NOTES**

We wanted to let everyone know that Sue Hornack is doing fine. She had a little accident a few weeks ago and suffered a fractured arm. Mickey informs us that she is resting at home after a few days in the hospital. We wish you a speedy recovery Sue and hope that you will be out and about again real soon. (An update from Mickey said she is doing well and the doc says things look good)

Don't forget to check the web page to get any race apps that we could not fit in the published newsletter. We try and get the grand prix race apps in first, and any other apps we get will be put on the calendar page as soon as we can. Don't forget to submit any race times on the web page. Tom has said that he is getting more race times and that we have had to wait to put some of them in the newsletter. We still want to know who is out on the roads putting in the miles.

Also, we wanted to remind everyone that the October newsletter will be online only.

Mike Bruno has announced that his company, Workhorse Outfitters, is going to have a new 5K race. It will be on November 10<sup>th</sup> and will be held at Ford City, PA. All the pertinent information will be on the Smiley Miles web site.

### AUGUST AT THE RACES

There were many races run in August that we saw quite a lot of members on hand. The heat played a part in many of them but that didn't deter our hearty group from participating.

### Debbie Green Mile and 5K

On Friday night, August 3<sup>rd</sup>, the Debbie Green Mile took place. Cedric Robinson won the run in 4:42. Our first male finisher in the run was Terry Smith in a time of 5:35 and Kris Midcap was the first female finisher in 7:47. In the walk, Carl Kondrach was the overall winner in 8:05 and Sarah Donley won the female division in 10:13.

At the 5K over 500 finishers crossed the line. Kiprop Mutai was the overall winner in 14:12. Mike Romzy was our first male finisher in 20:43. In the walk, Gary Bennett took the overall honors in 24:59 and Sarah Donley once again took the overall female award in 34:28.

### Brookline Breeze 5K

Two club races were on the same day, as the Brookline Breeze had 425 finishers cross the line on a pretty muggy day. Praveen Vulimiri took the overall honors in a time of 13;35. Emery Strotman was our first male finisher and third overall in a time of 18:09, while Lisa Lucas took our first female award and 2<sup>nd</sup> overall, crossing the line in 19:39.

### Victory 5K

While at the Victory 5K we had Kelley Murdock win the female walk division and first overall in the walk in a time of 33:30. Rick Respole take first place in the men's walk division at 37:35. Mary Krett was our only runner to finish the race, and she took first in her age group in a time of 37:07.

To report Grand Prix times call Tom Trettel (724) 229-0201 or e-mail <u>trettelt@comcast.net</u>. Or Grace Goffi at <u>gracegoffi@verizon.net</u>. For newsletter information or to submit an article contact Bob Pikelis e-mail <u>r.pikelis@comcast.net</u>.

### Thoughts unthoughtfully thought thoughtfully!!

Mickey Hornack

- I apologize up front for not dedicating my entire <u>column</u> (quite questionable label of course) to running, racing, walking, speed, endurance and entry fees. I feel it takes several of those traits just to endure the rest of this "stuff"
- How can spiders make a web all the way across a 4' path? Do they fly to one side then back? I guess it could be like Spiderman does it but I have never seen a spider's wrist.
- Is it me, or do lines at cash registers move nicely till I'm next?
- The doctor told me the other day the pain in my left leg is caused by age! I said but my right one doesn't hurt--- & it's the same age!
- I saw an ad for a 5K in Monongahela on Sept 29, day before Pittsburgh Great Race, so I thought (title of this said column) another 5K! They are everywhere anymore. Plus, I suppose some might say "great warmup" for next day, some may say "good alternative to battle in the 'Burg' and others may say "not for me!"
- The wife asked me "What's an artery?" I said it's a paint studio!!!

- I was in Mingo Park with a few other "old" guys complaining about how it ain't like it used to be. One of them said "Look around you. See any other "old" guys here?" Well ok but I can't see that far.
- I'm not a Facebooker, and I can't figure out Twitter but the Mrs. is on the "Book" I have to say I enjoy seeing photos posted at races etc.—yea, even photos with Blake in them.
- Rock on Y'all
